

## Appendix 5: Program Material Examples Continued

### 11. SEARHC MOBILE MAMMOGRAPHY FLYER

## THE MOBILE MAMMOGRAPHY VAN IS COMING!

SEARHC's WISEWOMAN Women's Health Program in partnership with the Breast Cancer Detection Center is pleased to bring mobile mammography with the latest digital technology to your community.

All women are at risk of getting breast cancer. Early detection through regular screening increases the chances of long-term survival.

**The mobile mammography van will visit the following communities:**

- **Angoon**      **April 27-28**
- **Kake**        **May 4-5**
- **Haines**      **May 8-11**
- **Yakutat**     **May 17-18**

For more information or to make an appointment, call **907.364.4450 (Angoon/Kake)**, **907.766.6366 (Haines)**, or **907.784.3260 (Yakutat)**. You can also call the SEARHC WISEWOMAN Women's Health Program toll-free at 1.888.388.8782 or email [askwh@searhc.org](mailto:askwh@searhc.org).
